Title	Removal of telephony designator for QJE		
Valid from	2503191600	Valid to	2506111600
CRC	40482		
Replaces	Nil		
Background	National Jet Systems Pty Ltd (formerly Cobham Aviation Services Australia) have been approved by ICAO to change their telephony designator WEF 17 February 2025. However, the change will not be domestically implemented in Australia until 20 March 2025 due to unforeseen operating agency limitations. From 20 March 2025, the reference assigning the telephony designator Q-JET to the flight plan designator QJE in MATS will be superseded by ICAO Doc 8585.
