THE GRANITES (YTGT) AERODROME AND APPROACH LIGHTING

1. INTRODUCTION

- 1.1 This SUP cancels and replaces SUP H133/24 with changes to the cancellation date.
- 1.2 Aerodrome and approach lighting systems at The Granites (YTGT) are being replaced.
- 1.3 Due to delays in the manufacture of lighting components and multiple significant weather events impacting the aerodrome and surrounding region, the installation and commissioning of the new lighting system is not expected until late 2024.
- 1.4 No LIRL or PAL will be available until then.
- 1.5 Generator-powered approach lighting is available, however no standby power is available.

2. OPERATIONAL INFORMATION

- 2.1 The information published in the Appendix is currently effective and replaces the information published in ERSA.

3. MORE INFORMATION

- 3.1 For more information about this SUP, contact the aerodrome operator via the contact details published in ERSA.

4. CANCELLATION

- 4.1 This SUP will be cancelled when permanent aerodrome and approach lighting is restored, expected by 9 January 2025.

5. DISTRIBUTION

5.1 Airservices Australia website only.
