REPORTING POINT VISUAL CHANGE****1. INTRODUCTION**

- 1.1 This SUP advises a temporary visual change to VFR reporting point Moonee Valley Racecourse (MVC) due to construction works.

2. ADVICE OF CONSTRUCTION WORKS

- 2.1 MVC is undergoing redevelopment and currently resembles a construction zone rather than a racecourse as shown by Figure 1 and 2.

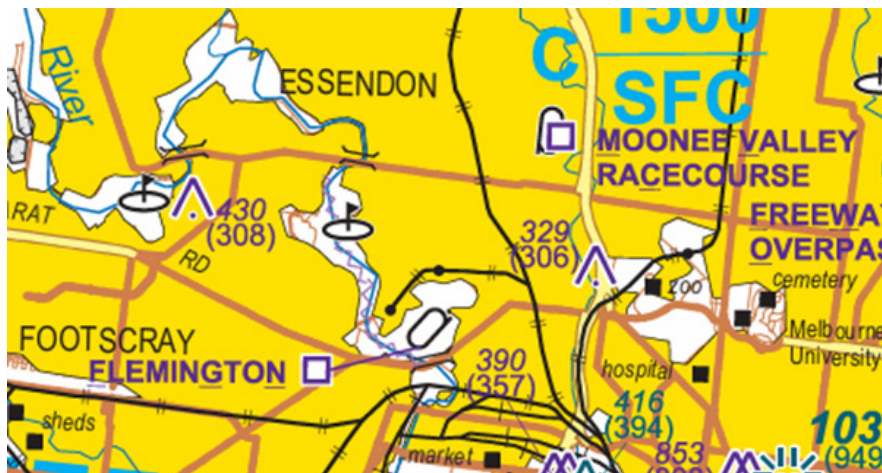

Figure 1:

Figure 2:

- 2.2 Pilots using MVC as a VFR reporting point must take care not to confuse it with Flemington (FGN), as shown in the Figure 3. The two reporting points are close to each other (FGN is 1.81 NM southwest of MVC).

Figure 3:

2.3 Construction is expected to be completed by August 2027, after which the site will resume operation as a racetrack with reduced dimensions.

3. CANCELLATION

3.1 This SUP will be cancelled following the completion of works.

4. DISTRIBUTION

4.1 Airservices Australia website only.
