

National Information Circular

NIC 01 /2025

Subject	Change to telephony designator for QJE		
Valid from	17 February 2025	Valid to	18 May 2025
Units Affected	All units		
Authorised by	ATM Standards Lead/HQ SRG A8 ANSP SO1 CM		
Background	<p>National Jet Systems Pty Ltd (formerly Cobham Aviation Services Australia) have been approved by ICAO to change their telephony designator WEF 17 February 2025. However, the change will not be domestically implemented in Australia until 20 March 2025 due to unforeseen operating agency limitations. Their flight plan designator will remain unchanged.</p>		
For controller information	<p>The following designator has been approved by ICAO for use with effect from 17 February 2025.</p> <p>Operating agency: National Jet Systems Pty Ltd Flight plan designator: QJE Telephony designator: KANGA</p> <p>However, National Jet Systems Pty Ltd will continue to use the telephony designator Q-JET IAW MATS 6.1.2.3 up to and including 19 March 2025. A separate interim MATS amendment will be issued to update MATS from 20 Mar 2025.</p>
