

National Information Circular

NIC 04/2024

Subject	MATS Supp and Temp MATS Supp website removal		
Valid from	03 June 2024	Valid to	15 July 2024
Units Affected	All units		
Authorised by	ATM Standards Lead		
Background	<p>A recent media report has featured an image of a current Temporary MATS Supp, including staff personal details and Defence operational information. As a result, Defence and Airservices have agreed to remove links to MATS Supp and Temporary MATS Supp from the publicly accessible websites from today. MATS itself will remain publicly available.</p> <p>This NIC describes alternative access arrangements for MATS Supp and Temp MATS Supp via Doc Centre and the TLI Database</p>		
For controller information	<p>Effective immediately, access to MATS Supp and Temp MATS Supp is removed from the publicly available MATS website.</p> <p>Alternative access arrangements are as follows:</p> <p>MATS Supp (current and pending)</p> <p>MATS Supp will be accessible via the 'Document Centre' search function, using the individual title/document number, or else the search term: 'mats supp' which will display all 7 documents.</p> <p>Temporary MATS Supp</p> <p>Relevant Temporary MATS Supp will be accessible via a link on the red 'Temp MATS Supp/TLI' tagging at the top of each MATS Supp document if applicable. Additionally, they may be located via a search in the TLI database using the Title/Subject or the corresponding TLI number.</p>		

	<p>Individual 'ATC Gateway' links may still point towards the publicly available MATS Supp and Temp MATS Supp websites. The external websites will be retained and include a summary of these access instructions for a transitional period.</p> <p>Documentation Centre Pages - Doc Centre Home Page (airservicesaustralia.com)</p> <p>TLI Database Temporary Local Instructions (TLIs)</p>
